Riverview Resort News

July 2009

In speaking with owners over the last several years, I know you are as excited as I am about the extensive renovations that have transformed our Resort. As you can imagine, renovating Riverview was quite the undertaking and the process of completing renovation projects is an experience to share. So please join me at our weekly owner's meeting. Upon arrival, simply inquire at the front desk for the date and time of the next meeting or if you live close by, feel free to join us at any time.

This past year the remaining eight studio units were renovated. Many of the improvements were made as a result of suggestions we received from owners who attend the weekly meeting. Improvements to the studio units include: new carpet, removal of the connecting door in an attempt to lessen the noise from abutting neighbors, added track lighting to brighten the unit and, as requested by several owners, the unit was redesigned so owners and guests may watch the television from both the bedroom and living room. In the future when items need to be replaced, we will consider smaller coffee tables and end tables. The queen size beds are being tested to replace the Murphy beds proven to be very unpopular.

The exterior renovations are complete and the property looks great! The new landscaping, new parking lot and new, well-lit signage has given the resort a fresh new look to match all the interior renovations. Many compliments have been received from owners who have had the opportunity to see all these latest improvements.

While staying at Riverview, please help by making management aware of any problems you may come across during your stay and don't forget to help us Go Green and recycle daily. Your participation is needed to keep Riverview Resort a premier vacation destination here in the heart of Cape Cod.

Lastly, mark your calendars and please try to join us for our 3rd annual barbecue immediately following the Annual Meeting on September 12, 2009. Should you have any questions, please call 1 (508) 394-9801.

Warmest regards,

Israel Soares, General Manager

Call for Nominations

Your Board of Trustees is searching for owners who are interested in the future of Riverview Resort to submit their names as candidates and run in the upcoming election for service on the Board. There is one seat up for election for a three year term. Enclosed you will find a Candidate Nomination Form which we hope you will take time to complete.

Please remember that participation as a Trustee does not include compensation for one's time, but does require a lot of love and caring for Riverview Resort. One must also be able and willing to attend meetings at Riverview Resort or a meeting place nearby.

Our next Owner's Annual Meeting is scheduled for Saturday, September 12, 2009, 10:30 a.m. at the Radisson, 287 Iyannough Rd., Hyannis, Massachusetts. Prior to this meeting you will receive a short biography on the candidates who will be running. Enclosed with that mailing will be a proxy ballot for your use if you are unable to attend the Annual Owner's Meeting. It is most important that you return the proxy if you cannot attend. We, the current Trustees, wish to thank our fellow owners who have been of tremendous support to us in the past.

PLEASE NOTE: The enclosed Candidate Nomination Form must be completed and returned to reach us no later than August 10, 2009.

Riverview Resort Policies

Non-Smoking Resort - The Riverview Resort actively promotes a smoke-free environment. We ask that you refrain from smoking inside your unit or any resort common area. Smoking on the balconies, patios or outside grounds is permitted. In the event of a violation a minimum fine of \$250 will be assessed to all violators.

Overflow and Boat Parking - All vehicles must be registered with the front desk. Only one vehicle per unit may be parked in the front parking lot. Additional vehicles, boats, and trailers must be parked in the overflow lot across Neptune Lane. Violators will be towed at owner's expense and may be subject to other fees.

Going Green

Riverview resort is proud to contribute to the National effort to "Go Green". We ask that owners join us in this effort.

- Recycle newspapers, bottles, and cans and place in designated areas.
- Turn heat/AC off when not in your unit.
- Conserve on energy and water when you can.

Please Note: Riverview Resort is now charging for washer and dryer services and the proceeds are helping to offset increasing energy costs.

Thank you for your help in protecting the environment.
